BENNIE'S ITALIAN FOODS MISSION STATEMENT

Our mission at Bennie's is to provide a warm atmosphere and social gathering place for the entire family. We will give that down home feeling in a restaurant environment. We will serve our customers with old time courtesy and appreciation. Bennie's will serve consistently great food at a great value, in an efficient manner. We will have the cleanest, most unique, most comfortable eatery in the surrounding area. Our management team will give unprecedented attention to our customers and team members to produce a bond between the two. We will strive to have a good partnership with our suppliers and a profitable business for the owners and team.

Our objective overall is to live up to the quality and expectations that our customers know we have produced for over seventy years. We delight in serving our future customers - your children. We want their exuberance and animation to be part of our atmosphere. We will strive to move forward with new ideas and technology, and we will keep in step with a growing market. *Our goal is to make our business grow with old world ways in a new economy.* We intend to have you as a frequent customer for a lifetime!

That is the Bennie's way.
